# EXTENSION MANAGER

## Job overview:

Develop and deliver a range of extension and technology transfer initiatives in areas critical to farm management success including animal health, pasture, animal breeding, environmental management and more.

Work with farmer advisor groups to design a programme of extension events for each region to meet the needs of that specific region due to topography, climate, species and other region specific factors.

Run field days and workshops for sheep and beef farmers, and industry professionals such as consultant and vets, throughout New Zealand.

## CAREER PATHWAY:

Senior management positions  
Farm Consultant, Sales Manager for farm products/services.

## QUALIFICATIONS:

Bachelor Degree in Farm Management or Agricultural Science.

## IMPORTANT SUBJECTS IN YEARS 12 & 13:

English, Sciences, Biology, Maths, Geography.

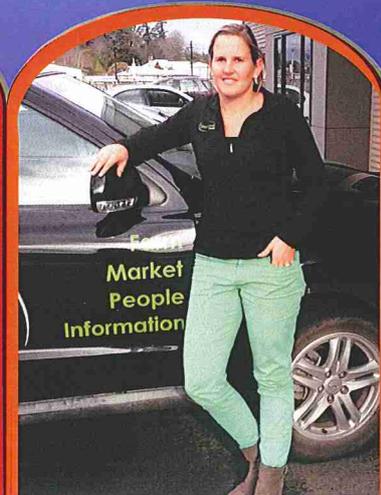

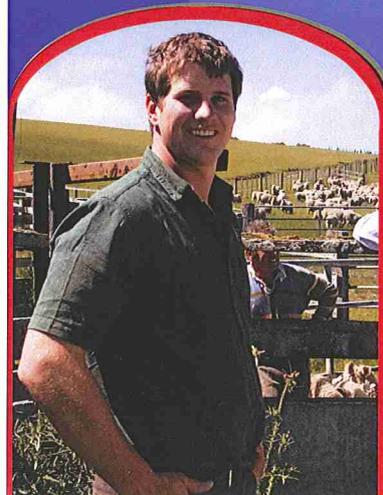

## PAY RANGE:

\$65,000 - \$80,000 plus a car, phone and laptop.

## OTHER JOBS WITH BEEF+LAMB NZ:

International Trade Policy Advisor,  
Market Development Manager,  
Research Coordinator, Economic  
Service Manager/Farm Accountant.
